

SLAM POETRY

Why did you bully me ?
Why did you hit me everyday ?
Why did you always laugh at me ?
Why did you punch me everyday ?

I wanted to be the center of attention
I wanted to make other pupils laugh
I wanted to be strong and powerful
I wanted to be loved

Why did you insult me at school ?

I just wanted to be cool !

Why did you menace me with your friends ?
And me, I was waiting for the end

It's because you were an easy prey
If you didn't want this, you just had to run away
You are a loser
You were a coward

I was happy without you
And now, I'm insecure
It's because you ruined my life !
