

SLAM POEM
BULLYING

You ignored me
You gossiped about me
You insulted me
You menaced me
You hit me and stole my bag every week
And this, every day until I became weak.

Why did you ignore me ?
I am the same as you , like you I can talk.

You pulled me down
You wanted me to lose your mind
You wanted me to become your thing
You wanted to make me disappear
You wanted to make me feel miserable.

I fought against my feelings and myself not to fall in
your trap.
I'm still alive, I didn't die.
You don't have to be afraid of who you are because you
can't change yourself.

YOUR DIFFERENCE MAKES YOUR STRENGTH.
