

SLAM POETRY : PREJUDICE

He says « you should wear makeup »,
She says « you are not going to level up ».

He says « you're too fat »,
She says « your chest is flat ».

He says « your body is too slim »,
She says « you eat too much ice cream ».

He says « if I were you I would »,
She says « you must respect the rules ».

He says « don't let me down »,
She says « he will let you down ».

I say « be who you want »,
I say « do what they can't ».
