

# SLAM POETRY : BULLYING

## I WONDER WHY

I wonder why.  
Why did you bully me ?  
Why did you hate me ?  
I wonder why ?

Nobody wanna help me ?  
I was just your classmate  
I didn't need your hate  
I just wanted your help  
And somebody said to me :  
Keep on struggling everyday  
It's gonna be ok.

And I know you will not let go

It's time to wake up  
I have to stand up  
I can't loose this fight  
It's the fight of my life  
And now, it is finished  
You made me feel so sad  
But now, I can see the light !
