LET ME TALK

- . I want to tell you a story about a cause which is close to my heart
- . About a girl who was hit
- . About a boy who was hurt
 - . It happened to them at school
 - . And it's not very cool
 - . They don't want to speak to anyone
 - . But they were bullied by someone
- . They said to their bully : « LET ME TALK »
- . We said to the bully : « LET THEM LIVE »
- . They can't wait any longer
- . We have to stop this faster
