

SLAM POETRY BULLYING

Racism

I am a victim of racism.
I am not respected because some people think I am different.
I am sometimes bullied in my school by other pupils.
I don't have friends because they think I am inferior.

Why am I rejected ?
Why am I not considered as a human ?
Why am I bullied ?
Why do you think I am inferior from you ?

You think I am less powerful than you ?
You think my skin color isn't as beautiful as yours ?
You think I am not as intelligent as you ?

Please stop rejecting me !
Please respect me !
Please stop bullying me !
Please accept me !
